

SENG8010 Defect Report / Software Problem Report

Defect ID: (Required)	008
Author: (Required)	Santhosh Nagendran
Release/Build # (Required)	Version 1
Open Date: (Required)	November 13, 2019
Close Date: (Required)	November 13, 2019
Problem Area: (Required)	Title
Defect or Enhancement: (Required)	<input checked="" type="checkbox"/> Defect (Default) <input checked="" type="checkbox"/> Enhancement
Problem Title: (Required)	Option Display entire database
Problem Description: (Required)	When I tried to select the option Display entire database, this option is for displaying all the information that was entered by the user and store already, but the title when entering the information was name, phone number, unit number and the rent of the unit but when the display option is selected to view the database it shows name, phone number, unit number and the payment information instead of the rent part.
Current Environment: (Required)	Windows
Other Environment(s):	No
Defect Type: (Required)	<input checked="" type="checkbox"/> Functionality (Default) <input type="checkbox"/> Architectural <input type="checkbox"/> Connectivity <input checked="" type="checkbox"/> Consistency <input checked="" type="checkbox"/> Database Integrity <input type="checkbox"/> Documentation <input checked="" type="checkbox"/> GUI <input type="checkbox"/> Installation <input checked="" type="checkbox"/> Memory <input checked="" type="checkbox"/> Performance <input checked="" type="checkbox"/> Security and Controls <input checked="" type="checkbox"/> Standards and Conventions <input checked="" type="checkbox"/> Stress <input checked="" type="checkbox"/> Usability
Who Detected: (Required)	<input checked="" type="checkbox"/> Quality Assurance (Default) <input type="checkbox"/> External Customer <input type="checkbox"/> Internal Customer <input checked="" type="checkbox"/> Development
How Detected: (Required)	<input checked="" type="checkbox"/> Testing (Default)

	<input type="checkbox"/> Review <input type="checkbox"/> Walkthrough <input type="checkbox"/> JAD (joint application development)
Assigned To: (Required)	Individual assigned to investigate problem (do not fill in)
Priority: (Required)	<input checked="" type="checkbox"/> High (Default) <input type="checkbox"/> Critical <input type="checkbox"/> Medium <input type="checkbox"/> Low
Severity: (Required)	<input checked="" type="checkbox"/> High (Default) <input type="checkbox"/> Critical <input type="checkbox"/> Medium <input type="checkbox"/> Low
Status: (Required)	<input checked="" type="checkbox"/> Open (Default) <input type="checkbox"/> Being Reviewed by Development <input type="checkbox"/> Returned by Development <input type="checkbox"/> Ready for Testing in the Next Build <input type="checkbox"/> Closed (QA) <input type="checkbox"/> Returned by (QA) <input type="checkbox"/> Deferred to the Next Release
